March 17, 1975

The President
Yale University
New Haven, Conn.

Dear Sir :

We, members of the Anti-Liberal and Anti-Communist groups in the United States and Canada, request you to cancel the series of pro-communist talks by Mrs. Herensia Bussi de Allende on the Campus of Yale. We understand that this left-wing -sponsored talk would be held in Battell Chapel, on April 5, 1975.

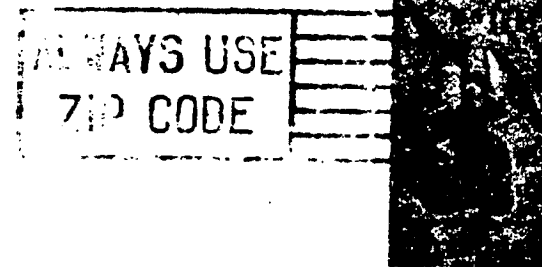

If this request is not granted, we shall see to it that the sponsors and participants in this meeting including Rep. Michael Harrington, a pro-communist lackey, the Vietnamese and Cambodian nationals in exile, and specially Mrs. Allende, will be killed. We want you to know also that families and loved ones of these destructors of Democracy and Freedom, will be found and punished because of the pro-communist attitude and actions of their husbands, wives, brothers, sisters and relatives.

If this talk will be held as scheduled, the chapel and other buildings of Yale will be blown up. So, do not disregard these severe warnings. Also please keep in mind that your safety and yours will not be guaranteed. In the meantime, we shall see to it that the organizers and their friends will be eliminated before they could take part in their anti-american, anti-freedom, activities. We are sick and tired of so many pro-communist behaviors of not only our representatives in Congress, but also in the academic communities. Something has to be done before this country will be taken over by these communists. For your information, we will also punish such liberals as Bella Abzug, Michael Harrington, Mike Mansfield, Robert Drinan, and those who advocate a stop to our aid to our friends in S. Vietnam and Cambodia. They shall be punished in due time. Their families will also be included.

Think about it, Mr. President, and spread the word to our prospective victims so that they can be ready for their meeting with death.
